Guaranteed reservations are made by payment of the deposit. For cancellations made at least 60 days before the trip starts, deposits will be fully refunded. For cancellations made between 60 and 30 days before the trip, the deposit will be refunded *if the reserved spot can be filled*. The deposit is non-refundable after that. The balance of the fee is due 30 days before the trip starts. For cancellations made after this time, the balance will be refunded *if the spot can be filled*. Those not paying the balance on time risk losing their places on the trip. Note: payment and refund deadlines may be different for trips out west and for custom-tailored trips, and these will be stated in the trip information packet.
